## **NOOSH News**

### **September 2014**

#### **NOOSH Gardens**

Hopefully everyone has survived the wet weather. Despite the rain, our NOOSH gardens have been rejuvenated thanks to Garry Jordison and his Garden Maintenance team. Garry and his team will be attending to the NOOSH gardens every month so we can maintain a high quality play area for our children. However, it's up to us as parents to ensure the gardens are watered regularly. Garry installed a watering system which surrounds the NOOSH building and Benjamin has purchased a new hose and sprinkler. If any parents have a few extra minutes when picking up children you are more than welcome to use the hose and spend some time watering the gardens, this will help to maintain the health of our plants.

### **NOOSH Director**

We are pleased to announce we have appointed a permanent NOOSH Director. Kerri Wickenden has accepted the position and will start next term. Kerri has many years experience in before and after school care and has a clear sense of direction for the daily operations of NOOSH. Kerri will make herself known to all the families at NOOSH and we look forward to a long-term working relationship to improve the quality of care provided.

The Committee also recognises the fantastic effort Benjamin has done over the past six months. Benjamin has worked beyond expectations in improving the resources at the centre and ensuring the children have a positive experience. Thank you for your fantastic efforts!

### **Vacation Care and 2015 Enrolments**

Our Vacation Care program is now available and spaces are filling up fast so be quick to get your enrolments in. Enrolment forms can be downloaded from

[www.normanhurstshc.com.au](http://www.normanhurstshc.com.au)

An early reminder that next term NOOSH will start the enrolments process for 2015. Becklyn are heading up the enrolments and are planning on having this process completed on-line. We are still working through a number of issues to ensure we can deliver a user friendly system and will keep you informed of further developments.

### **NOOSH Security**

As mentioned in my previous Newsletter NOOSH security is being upgraded. There will be additional security measures installed in the coming weeks. Hopefully these extra measures will be a deterrent to future attempts at trying to break into the centre.

### **Committee Meetings**

The next Committee Meeting is scheduled for Monday 27<sup>th</sup> October 2014. All parents are invited to attend.

Paula Bourke  
President
