Dear Families

Thankyou for choosing to use the services of Normanhurst OOSH.

We aim to deliver a high quality and affordable child care service for all families at Normanhurst Public School and we operate as a not-for-profit service.

After review of our financial performance in 2016 and careful consideration The Normanhurst OOSH Committee has decided to raise the fees effective from Week 1 of Term 2, 2017.

These increases will ensure that we can continue to provide quality education and care to the children at our center.

Membership Fees will remain at - \$30.00 per family per annum and pro-rated for families who join during Term 3 and Term 4.

Attendance Fees per child will be as follows:

Permanent:

Before School Care - \$9.50
After School Care - \$18.00

Permanent booking must be paid for whether or not the child attends. To cancel a permanent booking, one week's written notification must be given to the Centre Director.

Casual:

Before School Care - \$12.50
After School Care - \$21.00

If a child is to attend irregularly or occasionally, then a casual booking may be made by either written application or by phoning the Centre.

Casual bookings may be cancelled provided a **minimum of 24 hours' notice is given**. If appropriate notice is not given, payment is still required.

Casual bookings will not be accepted if fees are outstanding for prior bookings unless arranged by written agreement.

Regards,

Kerri Wickenden
NOOSH Director
