Pipe Cleaner Beading Ornaments

- Pipe-cleaners
- Beads
- Scissors

1. Get children to decide on shape (love-heart or snow-flake are suggested)

2. If picking snowflake, prepare pipe cleaners by:

- Cutting 3 pipe cleaners in half. Fold these pipe cleaners in half again. Begin to twist two of these together on the bend. Then attach/twist the final pipe cleaners around the first two.
- Then get the children to place beads on the pipe cleaners. Encourage them to think about/incorporate maths (counting, patterns by colour, patterns by quantity).
- Finish the snowflake by curling the end of the pipe cleaner and placing it inside the hole of the last pipe cleaner.

3. If picking love heart, prepare pipe cleaners by:

- Folding the pipe cleaner in half, making a crease.
- Gently curve the sides to make the shape of a heart. Leave the ends open to allow the beads to be threaded on.
- Then get the children to place beads on the pipe cleaners. Encourage them to think about/incorporate maths (counting, patterns by colour, patterns by quantity).
- Once they have filled the cleaner, twist the top ends together to seal the heart. You can reshape it if you need.
