 - Craft glue
1. Draw a snail head onto your cardstock with upper tentacles for the eyes
 2. Glue the googly eyes on the upper tentacles
 3. Draw on the face
 4. Draw a swirl/spiral on the paper plate
 5. Glue beads on the line
 6. Glue the snail head to the paper plate

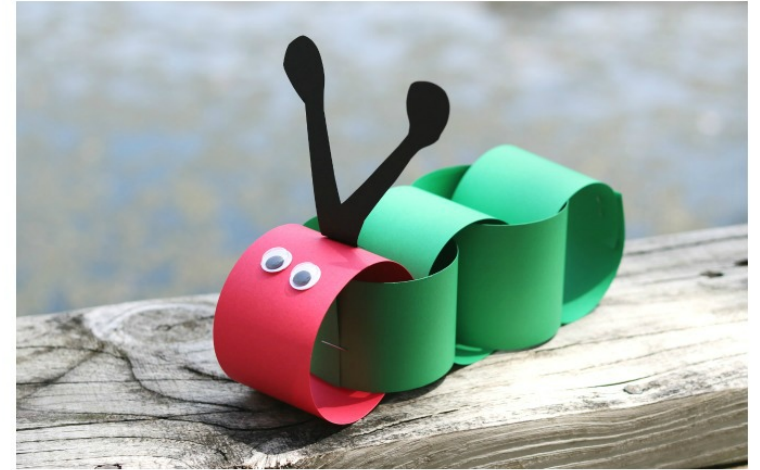

Paper Chain Caterpillar

Materials

- * Various Sheets of Colored [Cardstock {Red, Green and Black}](#)
- * Hand-Held Office Stapler
- * Basic Craft Scissors
- * Large Wiggle Eyes – two per caterpillar craft
- * School Glue

Steps

1. First grab your red cardstock, green cardstock and scissors.
2. Cut out FOUR long strips out of the green and ONE long strip out of the red.
3. One by one, staple and intertwine your cardstock “chain” together, with the red {the caterpillar’s head} in the front and the green being the body.
4. When done set aside.
5. Next grab your black cardstock and scissors.
6. Cut out a simple pair of antennae for your craft.
7. To finish off the **Paper Chain Caterpillar**, glue your wiggle eyes and black cardstock antennae to the “head” of the craft.
