

Monday AM

Resources needed:

- **Wooden blocks**
- **Straw connectors**
- **Any other building materials the children care to use**

Children will be challenged to make a tower out of the building materials at NOOSH! Points will be awarded for height and architectural features! The best creation wins a prize for it's creators!

Monday PM

Santa paper rocker

Materials

- **White card**
- **Red Card**
- **Black paper**
- **Pink paper**
- **Glue**
- **Scissors**
- **Circular template**
- **texta**

1. **Draw a circle onto the white card (can use the circular template/object to trace around)**
2. **Cut out the circle**
3. **Fold the circle in half and allow it to sit open a little bit**
4. **Cut the pink paper into a B shape as shown in the picture**
5. **Glue the B to the fold at the top of the plate**
6. **Cut 2 eyes from the black and a nose from the red and glue them on**
7. **Draw a smile**
8. **Cut a red triangle from red and fold it into the santa shape and glue at the top of the head**

Healthy fruit faces

- Extra Fruit pre cut
- Paper plates
- gloves

children (using gloves) select fruit from the pre cut selection and arrange it to form any picture they'd like on their paper plate

Tuesday AM

Colouring in challenge!

Resources needed:

Christmas colouring sheet

Textas, colouring in pencils

All of the children will be handed a colouring in sheet and asked to colour it to the best of their ability! Prizes given for the best!

Tuesday PM

3D Paper Balls

- Template (can be printed on colourful paper if you like)
- texters
- scissors
- glue

You need 20 cut and folded circles. Glue 10 of them together (as shown in the photo). Then, glue the two ends of the row to each other. Start gluing the other circles so that the whole ball closes.

12

Wednesday AM

Resources needed:

- **Lego, blocks**
- **Toys**
- **Printouts of Santa/Reindeer**

Children will be encouraged to build their own vision of what Santa's village looks like. They will be allowed to use resources around NOOSH, given blocks to use and Santa and reindeer will be printed out for them!

Wednesday PM

Stress balls

- **Balloons**
- **some flour**
- **a little wool (for hair – this is optional of course!)**
- **a marker pen that works on balloons**
- **an empty plastic bottle**
- **a little paper or a funnel**

- 1. Make a paper funnel.**
- 2. Fill your plastic bottle with flour using your funnel! There is no exact amount of how much flour to add, but imagine the size of your stress ball.**
- 3. If you need to poke the flour through with a pencil or chop stick.**
- 4. Blow the balloon up a little and [op the balloon around the bottle top. And turn round.**
- 5. Gently squeeze the bottle – keep clicking it – and the flour will slowly go into the balloon!**
- 6. And now.. enjoy your Stress Balls How To and see you here again soon!**
- 7. Hold the balloon tight and GENTLY let the air out.**
- 8. Once it is all out, tie a knot and decorate!**
