Rescue Princess Leia

Choose one player to be Princess Leia. Choose another one to be Jabba the Hutt. The rest of the players are Jedis. Have Jabba the Hutt sit between two lines that have been drawn in the grass. Have Princess Leia stand a few feet behind Jabba the Hut. Give Jabba the Hut a can of silly string.

As Jedi's try to cross past him, (without crossing outside the lines), Jabba tries to slime them (squirts them with the silly string). If a Jedi is hit, he is out of the game. If a Jedi makes it through, he saves Princess Leia. Players are then switched until everyone gets a turn to be Jabba the Hutt or Princess Leia.
