

NOOSH NEWS - Term 2, Week 7

Our July Vacation Care is now open!

Log on to our website and take a look at our July Vacation Care! This time we've got a Wheels Day, a Gardening Day, a 'Commerce in the COLA' day (create and market your own invention!), an Are You Smarter Than A 5th Grader Day (Staff vs Students) and Craft Crate Day – making sustainable wooden toys! We've also got the Laser Warriors laser tag! Go to <http://www.normanhurstoshc.com.au/vacation-care/> to find out more!

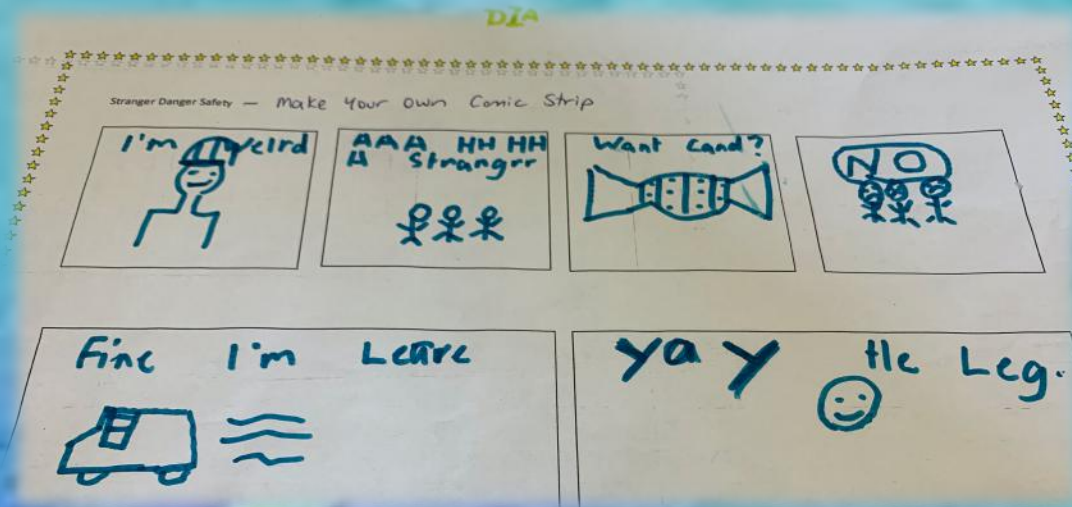

Ben (year 1) showing his fire day craft

Safety Week

Leon Smith teaching our children

Week 5 of each term is now Safety Week at NOOSH! This is a week where we run a series of Fire Drills and Lockdowns to ensure all children know about emergency evacuations and how to act in times of danger. We learnt about fire safety, stranger danger, cyber safety, germ safety and sun safety. We did some role plays, craft, comics and science experiments to aid our children's learning about safety. Special thanks to Leon Smith who came and gave us a talk about fire safety!

Stranger Danger comic by Dia year 1

Informing us about your child's attendance at NOOSH

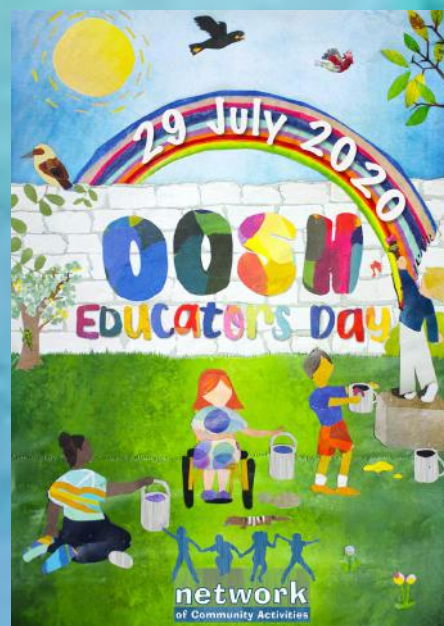

Many of our families are listening to the NSW government's instructions to keep their children at home during the pandemic, and we want to thank them for all the hard work they are doing. We encourage all families to mark their child as 'away' on the Webserver until they are to come back. However if your circumstances change, we ask that you let us know of this changes **in writing** by emailing us at normanhurstshc@outlook.com. This is to ensure that we have adequate staff on every day.

Germ safety science experiments

NSW OOSH Educators Day!

On July 29th we will be celebrating OOSH Educators Day! It's a day where we appreciate all that the educators do! Tiyani is currently making videos for each of the staff members so they will know how much they are valued in our community. We are asking the kids to participate by telling us their favourite staff member and why they like them. We are looking for some parents to join in and be willing to be part of the videos, if you are prepared to be a part of this please see Tiyani.

NOOSH Rewards scheme

NOOSH has updated our expectations, and we've created a wall with some beautiful illustrations made for us by one of our new staff members – Amy! We are also introducing a new rewards scheme called the 'NOOSH Bank' where the students can earn 'NOOSH money' for good behaviour and deeds done at NOOSH. They can then redeem their NOOSH money by choosing prizes available at NOOSH. This will be introduced in week 9.

Term 3 Program

Alex, Rosie and Matt have been doing a great job creating the program this year, and the children have really been enjoying the various activities that we have been running – the children have especially liked the dinosaur fossil digging! We love getting suggestions for our program from both children and parents, so if you would like to pass on a suggestion for our program please see a staff member

We hope you like our newsletter – many of the children have made amazing contributions to our newsletter which I will incorporate into following issues!

We will leave you with a comic made for us by one of our year 4 children – we hope you like it!

If you have any other questions, or need any assistance with anything related to NOOSH, please feel free to email us:
