### Policy Statement

We aim to provide an environment which promotes the safety and wellbeing of all children in our care. Where a child displays consistent unacceptable behaviour, or presents a threat to others, reasonable steps will be taken to ensure the safety and wellbeing of others within the Centre. The Management Committee and Nominated Supervisor will work together with parents to establish and implement a Behaviour Management Plan. If unacceptable behaviour continues, temporary or long

term exclusion may be enforced at the discretion of the Management Committee.

## **Procedure**

### **Consistent Unacceptable Behaviour**

Where a child demonstrates consistent unacceptable behaviour, educators will:

- ensure the child is aware of the limits and what is appropriate behaviour
- ensure the expectations are appropriate for the child's level of development and understanding
- review the consequences to ensure they are not inadvertently encouraging the behaviour
- identify and assess possible causes for the behaviour
- discuss the issue with the parents and the child
- record all incidents, indicating what happened before and after the incident, time, date and who was involved
- develop a plan of action involving behaviour management in discussion with educators, parents, school, and other professionals, as required
- record the plan of action, ensuring all are aware of how to implement the plan and develop an evaluation system and review date

Where the unacceptable behaviour is violent, threatening or injures other children and/or educators, the "Exclusion for Unacceptable Behaviour" procedure may be implemented immediately.

-If a child physically hurts other children or adults, educators will:

- remove the child from the situation
- ensure the hurt person is attended to and given proper attention and care
- record the incident, indicating date, time, victim, injury, offender and attendant
- ensure that the parents of all children involved are notified of the incident, as soon as possible, but no later than 24hours following the incident (such incidents will be immediately referred to the Management Committee)

Repeated incidents of physically injuring or threatening injury to other children and/or adults at the Centre may result in a temporary suspension of a child's enrolment. The "Exclusion for Unacceptable Behaviour" procedure will be followed in such an instance.

### **Exclusion for Unacceptable Behaviour**

Should unacceptable behaviour continue, and the above strategies are not working, the Nominated Supervisor will inform the Management Committee and the School Principal. Management, in consultation with the Nominated Supervisor and educators, will discuss the issue.

Where, in the interest of the child and other children at the Centre, exclusion is seen as the only step to be taken, this will be decided by the Management Committee. Exclusion may be a temporary arrangement whilst strategies for dealing with the behaviour are discussed with all involved parties.

The Management Committee reserve the right, following serious behaviour incidents, to temporarily exclude the child, effective immediately. Where long term exclusion is decided upon by the Management Committee, it will be considered only after:

- parents have been notified and given the opportunity to discuss their child's behaviour and have input into a behaviour management plan for their child
- parents have been referred to other agencies, where necessary
- careful consideration has been given to the problem by educators and Management
- clear procedures have been established for accepting the child back into the Centre

Management Committee reserve the right to refuse re-enrolment of a child if the situation requires such an action. Consideration for re-enrolment will be at the discretion of the Nominated Supervisor and Management and conditional on development and compliance with the devised behaviour management plan.

Strategies outlined in Network's 'Play – Rights and Responsibilities' will be used as a guide or point of reference.
