Risk assessment					
Activity	Hazard identified	Risk assessment (use matrix)	Elimination/control measures	Who	When
Travel on bus from Normanhurst Centre to Clontarf Reserve	Children injured during bus travel	Moderate	Educators to initiate conversation with bus driver to ensure bus driver is not intoxicated or otherwise incapacitated from driving a bus.	First Educator on bus	On travel & arrival to the venue
		Moderate	If the condition of the bus itself is considered dangerous we will not go ahead with the excursion	First Educator on scene All Educators	

		Moderate	Ensure children are sitting in their seats at all times, and are not distracting to the bus driver. Nobody is to move around the bus while the bus is in motion		
		Moderate	Road accident en route to venue: If the accident is not serious: On regular road keep children safe by staying on the bus if it is safe to do so. If not, move children to a safe location on footpath or grass area that is safe and protected from oncoming traffic. Contact centre and Manager as soon as possible.		
		Moderate	If the accident is serious: Move those able to walk away from the scene of the accident to a safe location. This will need to be assessed at the time. Assess casualties and administer first aid as best you can until emergency help arrives. Call '000' and cooperate with emergency services at all times. At least one Educator (if possible) to accompany children to hospital until parents arrive. Contact centre and Manager as soon as possible. – Educator at service will begin contacting parents		

Disembarking from Bus into carpark areas	Slips, trips, falls, collisions	Moderate	<p>Mechanical Breakdown Low } Keep children safe by staying on the bus if it is safe to do so. } If not move children to a safe location protected from oncoming traffic, sun and heat. } Educators to supervise children to avoid danger until problem is fixed or replacement bus arrives</p>	All Educators
	Child may wander/abscond	Moderate	<p>Walk children, 2 lines in close groups Educators positioned at front, middle and ends of groups Constant head counts, and checking on children Educators to communicate with one another and the children</p>	All Educators All Educators & Children
	Child may be struck by vehicles	Moderate	<p>Request bus driver drop us in a safe out of the way place in the carpark. Educators to stand watching incoming/outgoing traffic and stop vehicles if necessary. Educators to usher children to the nearest safe</p>	Educators

			(grass) area for headcounts to ensure children are safe.		
Entering Clontarf Reserve	Trips, slips, falls, Medical emergency, First aid required	Moderate	Maintain children close in groups. Close supervision Educators encourage children to listen and implement appropriate behaviours	All Educators All Children	Whilst entering Clontarf Reserve
Walking Clontarf Reserve	Trips, slips, falls, injuries, illness	Moderate	An educator to lead each group as per child:educator ratio Ensure each member of the group walks, not runs, and stays within sight of an educator Educators to choose flat surfaces to walk across and to warn children of potential trip hazards such as tree roots, leaves	All educators All children, educators	Whilst walking around On the day
	- Risk of collision while walking	Moderate	Supervise children carefully, ensuring that they leave adequate space between them and other children	All educators	On the day
	Risk of children running/walking into the water	Moderate	Ensure children do not leave the group, keep children away from the water	All educators	On the day

	Children passing one other	Moderate	Children to be aware of their surroundings and to 'give way' to others	All educators and children	On the day
		Moderate	Children to be aware of branches 'snapping' back towards them as they are held by others	All educators and children	
	Getting hands/feet caught in and under materials	Moderate	Ensure children walk carefully and avoid obstacles	All educators and children	
	Risk of needing to evacuate the area due to fire etc. and children not knowing where to go	High	Let the staff know of the best ways to safely evacuate the children	Educators	On the day
	Medical emergencies	High	Have plans and medication accessible to be used for children with asthma and anaphylaxis conditions	Educators	On the day
	First aid required		Educators will carry small first aid kits on them		
	Missing child	High	Educators will conduct regular roll calls and head counts of their individual groups & communicate this to the coordinator	Responsible person on the day	On the day
			Educators will have a walkie talkie to communicate to other staff whilst at the venue		On the day

			<p>Educators will supervise tracks to ensure children do not leave the area</p> <p>Educators will ensure children will not interact with the general public. They will check the bathrooms before the children enter, and will wait outside until the children are done.</p>	<p>The Coordinator & educators</p> <p>All educators</p> <p>All educators</p>	<p>On the day</p>
<p>Participating in sand/beach activities</p>	<p>Social/emotional well-being</p> <p>Handling of equipment</p> <p>Swimming in the water</p>	<p>Low</p> <p>Low</p> <p>Moderate</p>	<p>Children to listen to instructions and follow accordingly</p> <p>Children are instructed how to handle equipment appropriately and with respect</p> <p>Medical conditions such as grommets Moderate } Parents/Guardians will be asked to inform us if there are any conditions we need to know about in relation to their child and water play/swimming. Parents have been asked to provide ear plugs etc. for their child. This will be indicated on vacation care booking form. } A list will be compiled of all children with any medical conditions which may affect water play/Swimming and distributed to all staff so that they are aware of any issues</p>	<p>Educators & Children</p> <p>Educators & Children</p> <p>Educators</p>	<p>On the day</p> <p>Prior to excursion and on the day</p>

		<p>Only educators who have undertaken full first aid and CPR training will be allowed on this excursion.</p> <p>While in the water staff will be supervising no more than 5 children at a time. It is the educators responsibility to know where each child is and how each child is doing.</p> <p>If a child appears to be struggling while swimming, educators will intervene immediately and will escort them to water where they can stand. This child will now be instructed to stay in shallow water.</p> <p>Children will be instructed to raise their hand if they feel they are not coping in the depth of water they are in to indicate to staff that they need assistance.</p> <p>If a child has descended under the surface to examine the seabed, the educator supervising that child is to</p>	<p>Management team</p> <p>Educators</p> <p>Educators</p> <p>Educators</p>	
--	--	--	---	--

		<p>ensure they resurface in a timely manner.</p> <p>All educators to ensure that at all times the children are floating/swimming/treading water in a proficient manner and will take necessary steps to ensure that no child will struggle to breathe/keep their head above water.</p> <p>Staff will mark out an area for children to play in the swimming baths that they are positioned around and actively supervising. Regular head counts will take place to ensure that all children are accounted for. Children will be in green rash shirts provided by NOOSH &/or Orange excursion shirts for easy visibility of the children for the staff. Children will not be permitted to swim in the other parts of the bay– only to wade in the water under direct staff supervision</p> <p>Children will be instructed to stay away from these poles at the</p>	<p>Educators</p> <p>Educators</p> <p>Educators</p>	
	Risk of cuts from oyster shells growing on			

	wooden poles at the edges of the baths	Moderate	beginning of the day. Educator on the beach to enforce this.	Educators	
	Risk of cuts from debris, glass, lids and other rubbish on the beach, as well as shells and rocks	Moderate	Staff to do a sweep of the beach before the children walk there to ensure that children will not step on anything that can harm them. Any dangerous debris must be moved by an educator. Children who are building sandcastles on the shore will be closely supervised by an educator to ensure that they do not unearth anything sharp while digging in the sand.	Educators Educators	
	Risk of bites/stings from fauna	Moderate	Wherever possible children should have their shoes on while out of the water Large fauna cannot enter through the nets. Educators to ensure that there are not jellyfish/ blue bottles on the beach or in the water while we swim prior to the children being allowed to enter the beach area. Children are to be a safe distance from any rock pools due to risk from blue ringed octopus	Educators and children Educators Educators	

Eating lunch and recess	Risk of birds trying to get food	Moderate	<p>Children to be sitting at picnic tables while eating to ensure that their food is away from ground dwelling fauna. They will be sitting cross legged on the seats if possible</p> <p>Children to be discouraged from feeding wildlife for their own safety.</p> <p>Educator to shoo birds away who are trying to take children's food.</p>	<p>Educators</p> <p>Educators</p> <p>Educators</p>	
	Risk of sunburn	Moderate	<p>Children to be seated in the shade while eating to reduce risk of sunburn. Sunscreen to be regularly reapplied.</p>	Educators	
	Risk of allergies	Moderate	<p>Ensure that no people nearby are eating foods the child is allergic to, and ensure that any child with allergies is not given food that they are allergic to.</p>	Educators	

Playing at the playground	Risk of injury	Moderate	<p>Escort children to age appropriate areas of the playground so they are not playing on equipment beyond their ability</p> <p>Ensure children know how to use equipment properly through explaining how to use unknown equipment to children</p> <p>Ensure children are being sensible on the equipment and are using it in an appropriate way through careful supervision.</p> <p>Ensure children do not walk/jump on walls/rocks nearby and are playing on the equipment the way it was designed to be played with</p>	<p>Educators</p> <p>Educators</p> <p>Educators</p> <p>Educators</p>	
Environmental Impacts & Emergency Evacuation	Extreme Weather conditions (including heat stress, sun burn, storms, high winds), Fire / floods, emergency crisis/situation	Moderate	<p>Seek shade/shelter where appropriate</p> <p>Give time for children to be calm, safe and secure</p>	Educators & Children	Preparation before Excursion & During excursion
Using the toilets & hand washing	Children using toilets at the venue	<p>Moderate</p> <p>Moderate</p>	<p>An Educator to check toilet areas for any hazards before children enter</p> <p>If the gender of that educator is not able to check the toilets. Send</p>	<p>All educators</p> <p>All children</p>	Whilst using toilets and hand washing areas

	<p>Missing child</p> <p>Health & Hygiene</p>	<p>High</p> <p>Moderate</p>	<p>2x older more responsible children to check whilst the educator waits right outside of toilet area</p> <p>Children to go in small groups of same gender</p> <p>Regular head counts and roll calls</p> <p>Educators to walk children in groups at a time and remain near toilet block area until children have finished</p> <p>Children to always communicate with educators about going to and from the toilets.</p> <p>Excursion Coordinator to ensure antibacterial wipes and hand sanitiser is taken on all excursions and provided to children at times of washing hands.</p>		
Eating & drinking	<p>Allergy & Food intolerances</p> <p>Choking, illness, vomiting</p> <p>Anaphylactic reactions</p>	Moderate – High	<p>Ensure educators, children & families are aware of our Food & Nutrition Policy</p> <p>Ensure families are regularly provided with information about food and nutrition</p> <p>Ensure children are seated down whilst eating or drinking</p> <p>Regularly update information of children with anaphylaxis/allergies/intolerances and cultural requirements.</p>	<p>The Coordinator</p> <p>Educators</p> <p>Parents/families</p> <p>Children</p> <p>Volunteers</p> <p>Educators</p>	<p>Before the excursion, during the excursion & after the excursion</p>

			<p>Ensure each educator and volunteer is aware of the medical and dietary list/info of each child.</p> <p>Staff are trained in First aid, anaphylaxis and allergy awareness.</p> <p>Ensure all staff are appropriately supervising children when eating and drinking.</p> <p>Medication for children with allergies /asthma is available on excursion.</p> <p>Staff to ensure that children have filled water bottles. Staff to ensure children continue to top up/re-fill their water bottles throughout the day.</p>	The Coordinator & educators	
Sun Protection & Dehydration	Sunburn / burns/ infections / illness Sun stroke, dehydration	Moderate	<p>Check temperature & UV rating of the day at intervals the commencement of the day, lunch time and prior to 3pm.</p> <p>Ensure that Educators, volunteers & families are aware of our Sun Safety Policy Ensure families pack hats for their children each day Ensure children wear hats as necessary or stay under the shade if UV is over 3 Provide shelter where necessary</p>	<p>The Coordinator</p> <p>Educators</p> <p>Parents/families Children Volunteers</p>	Before leaving the centre & during the excursion

			<p>Regularly ensure children have opportunity to get a drink of water</p> <p>Ensure children still get opportunity of some sun exposure for Vitamin D levels (UV rating checked with this)</p> <p>Sunscreen will be applied throughout the day</p> <p>Ensure children have brought their water bottles</p>	Educators	
Covid-19	<p>Illness, infections, hospitalisation, death of child/educator/adult</p> <p>Community surroundings</p>	Moderate - High	<p>Ensure Educators & Families are aware of our Covid-19 Policy & procedure</p> <p>Maintain communication between NSW Health department, Department of Education, ECED and any other relevant organisation in relation to Covid-19</p> <p>Ensure information of Covid-19 and any practices are updated as new information becomes available</p> <p>Ensure all such important information and factsheets are available & /or displayed for educators /parents /families and visitors to view</p> <p>Educators & families are updated with any new information / updates on Covid-19</p>	<p>Coordinator</p> <p>Educators</p> <p>Families and children</p>	Throughout the whole day

			<p>Ensure that there are no children, educators or adults that enter the premises if they have been in contact with anyone that has had COVID-19 symptoms or are currently displaying any related symptoms</p> <p>If children or adults present during the day as unwell, they will be set aside from others. For a child: their parent will be contacted to collect them as soon as possible. For an adult: they will be asked to leave the centre to seek further medical advice.</p> <p>All adults/Visitors/volunteers are to adhere to all Covid-19 rules and practices as per prescribed from the NSW government</p> <p>Children will be given regular hand washing routines throughout the day, dependant on activity and what they are exposed to</p> <p>Antibacterial wipes, hand soap, paper towels and hand sanitiser will be available to all.</p> <p>Educators are strongly recommended to wear PPE including gloves & face masks where necessary</p> <p>Educators are to ensure supervision of children using hand sanitiser (as it is alcohol-based)</p>		
--	--	--	--	--	--

			<p>A routine cleaning list is created in the centre and all educators are to complete the cleaning tasks and schedule.</p> <p>Educators are given opportunity to reflect and bring about new information in relation to our Covid-19 practices</p>
